

Q: What's happened since the last Summit?

Presented by Melissa Lofton
Administrative Manager

Breast Diagnostic Clinic, Mobile Mammography
The University of Texas M. D. Anderson Cancer Center

A: Plenty has happened!

- Great News

- Our friends in the Big Bend Region will be receiving Mobile Mammography Screening services soon
- Services will be provided by Desert Imaging
- The women of the area are so excited, they've already booked three full days

A: Plenty has happened (cont'd)!

- Visits will be made in October to:
 - Van Horn
 - Alpine
 - Marfa
- The unit will return in January, and looks forward to adopting a regular schedule
